EMERGENCY TELEPHONE NUMBERS

Alaska State Troopers

Call 911 or Dispatch 428-7200

Anchorage Police Department:

Call 911 OR 786-8900

Anchorage Police Department (APD)

716 W. 4th Avenue

Anchorage, AK 99501

For Emergencies: Dial 911

APD Main Number 786-8900

When you dial 911, a police dispatcher assesses the nature and seriousness of the emergency. Personal safety is the determining factor. An officer will be dispatched to respond based upon the priority assigned the call. Priorities range from 1 (assault in progress, shots fired) to 9 (parking problem). You may be asked to stay on the phone until the officer arrives, especially if an incident is in progress. Once the safety of the caller is assured, the call can be ended. You will be asked to provide your phone number in case there is a need to contact you about the incident in the future. APD's main focus is protecting people.

Lobby Hours:

Monday-Friday 7:00 am-6:00 pm

The lobby is closed municipal holidays

Note: You can get help even if you do not speak English or are hearing impaired. Help is available to all persons.

Burglary: 786-8600

Definition: when a person enters or remains unlawfully in a building with intent to commit the crime of theft. A burglary case requires: (1) a suspect(s) who can be identified in court and (2) physical evidence, such as fingerprints, that can lead to the identification of a suspect. If your case meets the above criteria, you may check the status 10 days after the report was made. Have your case number handy when you call. You can add information to your burglary report by filling out a Citizen Follow-Up Report, available from the APD Records Section or online at: www.muni.org/apdl/apd911.cfm

Burglary Sergeant: 786-2679

APD has a Pawnshop Detail that checks for stolen property. Detectives will notify you if your property is located. If you find your property in a pawnshop, advise the Burglary Unit so APD may place a hold on the item(s).

Crime Prevention for Businesses: 786-8699

Make sure doors and windows are secured when leaving the building. Install an alarm system. Keep your building well-lit inside and out. Prevent ‘smash and grab’ incidents by removing valuables from front windows after closing. Report vandalism immediately to police. Remove graffiti as soon as possible to discourage more.

Crime Stoppers: 561-STOP (7867)

Call Crime Stoppers if you have information about a crime. If your tip helps lead to the arrest and indictment of a suspect, you may be eligible for a reward of up to \$1,000. You can remain completely anonymous. If the tip you are reporting is life threatening, please call APD, 911.

Fees for Police Protective Services

If APD responds to any residential property more than eight (8) times in one calendar year, the owner of the property will be required to pay the Municipality of Anchorage (MOA) \$500 for each additional response. MOA will inform the property owner in writing when eight responses have occurred. (Anchorage Municipal Code Chapter 8.80.)
54BCalls for domestic violence are not included.

Getting APD Records or Reports: 786-8600

Contact the APD Records Section.
